

Easy to do !!!

Free single-color publicity printed on cloth for a minimum order of 500 pieces.

A printing plate, we invoice only once.

To prepare the printing plate, we need a clean, reproducible model **with a resolution of at least 300 dpi**.

We keep the plate and, if the next remains the same, we will use it for further orders.

Printing should not be too large, so as to ensure visibility through the packaging.
Contact us about the design.

Normal printing colors are blue, black or red.
Special requests are accommodated whenever possible.

Around three weeks are required for the first order to prepare the printing plate.

You have no model? Nothing to worry about. Contact us and tell us your wishes and concepts. We design computer - aided your individual publicity printing.
